MEMORANDUM FOR THE RECORD

SUBJECT: Briefing of Congressional Staff Members

25X1

1. On 13 May 1965, the undersigned accompanied by [redacted] of the Legislative Counsel's office briefed Glenn Smith and James Kendall of the staff of the Senate Preparedness Investigating Subcommittee. The briefing, which was on an all-source basis, primarily covered the most recent information on the Chinese and Soviet AE programs, with emphasis on nuclear testing.

✓ 2. As the discussion ended, Mr. Smith particularly expressed interest in the Soviet ABM situation, and asked if they could be briefed in the near future on that. He also requested a briefing on the Safeguard "d" paper; he knew it had been prepared and was to have gone to USIB this month.

✓ 3. Following this discussion, Mr. George Murphy of the staff of the Joint Committee on Atomic Energy was also briefed. In this case, the subject discussed was only that of Chinese nuclear testing and test preparations.
